

PGP Endorsed Events

The PGP is a partnership of Christian leaders, and exists because we think we can achieve more by working together on some things than we could achieve if we all worked alone. The PGP Steering Committee is working on a number of projects which will result in PGP events (e.g. Ministry Intensives). But many Partners will also be working on their own projects that have aims similar to the aims of the PGP and are designed to advance the cause of the gospel in the wider Christian community (including PGP Partners' ministries). The PGP wants to help make such projects be more effective by endorsing and advertising them in the PGP network.

Operating principles

Any Partner can submit an event or project to the PGP Steering Committee to be considered for endorsement. The Steering Committee will consider all such requests. The criteria it will use to decide will be:

- a) does the event contribute to our Vision and Purpose?
- b) does the event sit comfortably with the convictions of the PGP Theological Vision Statement?
- c) do the contributors hold convictions and stand for our core beliefs as expressed in the PGP Doctrinal Statement?
- d) is the event of general interest and potential benefit to our Partners and the ministries they lead?
(see PGP website pgp.org.au for the relevant documents)

The Steering Committee reserves the right to decline any submission without giving its reasons. However, Partners have the power to initiate a Partners' Special Meeting if they are unhappy with the decision.

Organisations whose aims comply with the above criteria can apply to be endorsed as an organisation.

If an event is endorsed by the PGP:

- a) the organisers can place the PGP logo on the publicity with "This event is endorsed by the PGP" or similar wording added
- b) the PGP will place the event on the PGP website (in consultation with the organisers):
 - in the Calendar of events
 - as an event announcement
- c) the PGP will include the event in its regular news/updates emails to Partners.

The sorts of events or organisations we envisage being endorsed by the PGP are:

- a) CCOWA conventions
- b) Trinity Theological College events for Pastors (eg Ministry Matters)
- c) a church putting on a training day for youth workers
- d) a group of churches running an evangelistic program in a region

All submissions for endorsement should be addressed to pgp@pgp.org.au
